Garrett Popcorn Shops, has been spreading the popcorn love now for 60 years. They have just opened their 7th Chicagoland location at Chicago's Merchandise Mart on the Second Level Food Court, next to the CTA's elevated train platform.

Merchandise Mart area workers, residents, customers and conventioners will now be able to enjoy Garrett Popcorn at this convenient location. "We wanted a store north of the River to provide Garrett's loyal customers easy access to the product via a transportation hub like the Merchandise Mart," says Garrett Popcorn Senior Vice President Jack Aiello. The Mart's multi-line platform services the Brown and Purple lines used by commuters traveling to and from the city's North Side as well as the North Shore suburbs.
